## Creative *Knitwear Design* on Catwalk

Knitwear talents were showcased in a Fashion Show by the First Level Master's Degree course in "Maglieria, Creative Knitwear Design" of the Accademia Costume & Moda in Rome. In its second edition, the project that intends to assist emerging young fashion designers and excellences in knitwear was promoted and organized by the Fondazione Pitti Immagine Discovery together with the Accademia Costume & Moda and Modateca Deanna.

The show also hosted the winners of the Special Projects realized in collaboration with Benetton Group, Roberto Collina, Max Mara, Ermanno Scervino and Napapijri & The Woolmark Company in collaboration with STOLL.
