SPRING-SUMMER COLLECTION 2020

ITMA 2019

Held every 4 years, the International Textile Machinery (ITMA) Exhibition is referred to as the Olympics of textile machinery. SHIMA SEIKI participated once again with a new lineup of machines at ITMA 2019. Presented on these pages are some of the items produced on these machines at the SHIMA SEIKI stand.

SMART & FUNCTIONAL

Innovations in knitting technology allows expanded applications beyond fashion. Smart textiles and other functional, wearable technology permit new uses in the sports, medical and other technical textile fields.

MACH2XS123
WHOLEGARMENT®

double-breasted jacket
15L (12G fabric)

DENIM

Denim-like knitwear enhances the wearing experience with superior fit, comfort and stretch that can otherwise only be obtained by a well-worn pair of jeans.
